

Metro Arts Accessibility Access Map

For accessible access, please enter the building via the **main accessible entry** point and make your way to Box Office (✘) to collect your tickets. Please notify Box Office staff of your accessibility requirements, who will then accompany you down the carriage way and into either the Sue Benner Theatre or the Lumen Room via the accessible entry points located 'Out The Back'.

Please note our Basement and Level 2 Gallery are currently not accessible as our lift is out of order. This will be rectified early 2018.

To talk with us during office hours (10am - 4pm, Mon - Fri): 07 3002 7100.

If you need assistance at the event and are unable to find Box Office, please contact the duty manager on 07 3002 7121.
